**ORDER OF CLARIFICATION**

Case No. 1:19-cv-075

---

Before the Court is Intervenor Plaintiff, Great West Casualty Company's ("Great West"), letter seeking clarification as to whether the stay of further proceedings extends to the claims asserted by Great West, filed on May 14, 2020. See Doc. No. 48. The Defendants filed a response in opposition to the motion on May 14, 2020. See Doc. No. 50. For the reasons set forth below, the Court denies the letter request of counsel for Great West.

On May 13, 2020, the Court issued a stay of all further proceedings in federal court in North Dakota until a resolution of the state court proceedings in Texas has occurred. See Doc.

No. 47. Great West's action arises from the same underlying accident involved in the Texas Litigation, and requires consideration of some of the same evidence. The stay applies to all parties and issues involved in this proceeding, including the claims asserted by Great West. The Court is staying all proceedings in this case until all liability issues are resolved in the Texas Litigation.

The Court has carefully reviewed the parties' briefs, the record, and relevant case law. For the reasons set forth above, the Court **DENIES** the Intervenor Plaintiff's letter of clarification (Doc. No. 48) insofar as it asks the Court to limit the stay.

**IT IS SO ORDERED.**

Dated this 8th day of June, 2020.
